2020-21 RBBC Year of Receiving One Another!

In This Issue

- *InSight on World Missions!*
- *"Receiving One Another" in Homes!*
- *Old-Fashioned Drive-In Movie Night in Sparks!!!*

Drive-In Movie Night in Sparks Club @ RBBC Awana

In the next few editions of the Vision, the Insight column will focus on RBBC missionaries.

We are Cesar and Luz Quiroz, natives of Ecuador, South America. We have served as missionaries with Avant Ministries since 1993.

Our first decade of missionary service was in our homeland of Ecuador. We left there in 2005, we were sent to Spain. We served in Malaga, Spain, in church-planting and biblical counseling. In 2014, we moved to Northwest Spain to be in church-planting, biblical counseling, and leadership development in the cities of Valladolid and Cuellar. Presently, we continue to minister online to the church in Cuellar.

Last year, Avant Ministries asked us to accept a new position of pastoral care to the Spanish speaking missionaries who serve with this mission organization. This is a crucial ministry in global missions as it seeks to promote the spiritual, emotional, physical and economical well-being of the missionaries and their families. This will assist them continuing to spread the Gospel in remote parts of the world. We are now using technology to be in contact with these global missionaries. When things change, God willing, we will be traveling to the different countries where our missionaries are serving.

We are very thankful for the spiritual and financial support we have received from Red Bridge Baptist Church since 2005. Our commitment to church planting continues as we care for the missionaries who serve in this capacity around the world. Since Avant is a faith mission, we will continue to partner with RBBC, our home church, as well as other churches and individuals in order to carry out this important ministry.

En la gracia de nuestro Padre Celestial,

CESAR & LUZ

Just for Fun!
Just for Fun! is a new feature in the Vision for the purpose of...well, Just for Fun!

15 RBBC young people enjoyed time away just after Christmas at a conference in Branson.

We've recently launched into our new thematic year at RBBC. 2020-21 is designated as our **Year of Receiving One Another!** This theme is taken from Romans 15:7. The focus has to do with the practice of being members one of another. God has called His people to be intentionally inter-relational. I say "intentionally," because in our 21st century American culture, this won't happen by accident. We must determine to be part of one another's lives. For a child of God to suggest that this is not necessary, or that it's optional, is analogous to an organ in one's physical body acting as if its existence wasn't needed for good health. Biblically speaking for the Body of Christ, and physically speaking for one's own body, this would be nonsensical!

One of the ways our theme of **Receiving One Another** can be realized is through the new emphasis on home fellowships. Red Bridgers around the city are welcome to begin / attend a home fellowship. Even though there will still be Sunday Evening Worship Services with preaching, music, Scripture reading, prayer, fellowship, etc., the Deacons and I would bless those who would like to meet in homes on Sunday evenings for much the same purpose. However, it doesn't have to be on Sunday evenings. Most anytime is fine, except Wednesday evenings because of Awana, prayer meeting, choir/orchestra, etc. Please know that the Deacons and I are asking those hosting home fellowships to be sure to schedule their meetings so that it doesn't conflict with Lord's Supper services on the church campus. We want all of us to be together for this time of remembering the gracious / redemptive work of Christ.

So, what does one need to do in order to begin a home fellowship? Simply let me know. I will not micro-manage your home fellowship. Please present a plan or concept to me relative to: where?, when?, frequency?, etc. Whether you choose to attend the Sunday evening worship service at church, or participate in a home group, I'm sure either will be a blessing in your life.

I also want to encourage everyone who can attend Sunday School / Morning Worship Service, to get back in the practice of doing so. If you've not been able to attend the past few months, be sure to re-establish this practice as a regular part of your schedule as soon as you believe it to be prudent for you.

Red Bridgers: Let's all give ourselves in 2021 to **Receiving One Another!** This means we meet together, worship together, pray together, serve together, and generally build up one another for the cause of Christ. You'll be eternally glad and grateful for this. God bless you!

Pastor Vic Borden

"God has called His people to be intentionally interrelational."
